

COVID-19 Risk Assessment Guidelines for Private Accommodation

How to use this Guide?

- Use the questions below as a guideline to assess if your private accommodation is Covid-19 safe.
- If you answer **NO** to any of the questions, please discuss the matter with your landlord and see how alternative measures can be put into place to safeguard you as the tenant and will help to identify a practicable and reasonable solution.

Always practise these controls at your private accommodation

1. Social distancing must be at least 1.5 metre away from any other person in any circumstance.
2. Wash hands with soap and water for 20 seconds, or use alcohol-based hand sanitiser after contact with any person or after contact with frequently touched surfaces e. g. phones, door handles etc.
3. Cough in the fold of the elbow or in a tissue which you discard in a bin and wash your hands.
4. Avoid touching your eyes, nose and mouth with unwashed hands.
